This report provides bi-annual data about the student visa and temporary graduate visa programme administered by the Department. It has been produced to assist education providers, representative bodies and policymakers.

It is important to note that the information used in this report comes from a new data source. Consequently, figures for previous financial years have been revised and may differ slightly from those previously published by the department.

Further data about the student visa programme, including yearly student visa trends and comprehensive data on student visa grants by sector and country from 2003-04 to the 2015-16 programme year is available on the department's website at:
